## **EXHIBIT A** **Scope of Services**

Contractor's Family Advocacy Services (FAS) is a school-based, homeless family and youth prevention/intervention service aimed at helping families remain intact while decreasing incidences of homelessness and poverty. It has been a critical program in the prevention of family homelessness, and Contractor FAS program staff are dedicated to the philosophy that "FAS saves at-risk families from homelessness."

- Contractor will support District families and connect them to community resources so students can remain in school, giving them the best chance of academic success and to avoid the negative consequences of being homeless. FAS was developed to address the needs of extremely low-income families who are homeless or on the verge of becoming homeless and who have school-age children; it is the only program of its kind in the Bay Area. FAS is founded on recommended Best Practices by the U.S. Interagency Council on Homelessness.
- Services include short term, intensive case management for District students and their families; educational resources to address academic challenges; budgeting/financial management assistance; legal assistance; parent education workshops; training of school staff; linkage to emergency housing resources, employment services, mental health services, financial assistance and other supportive assistance.
- FAS staff focus on the ENTIRE family in providing case management/mental health services; as we address the needs of the family, younger children also benefit from being in stable housing, and hopefully will not have to experience the negative aspects of homelessness as their older siblings have. Whether the younger sibling attends the identified school or not, he or she will have the benefits of services provided by FAS.

Contractor will provide two full-time bi-lingual case managers to work directly with the District McKinney-Vento program, one will focus exclusively on working with District families and the second case manager will work full-time in the schools with District students and staff. Contractor will offer a continuum of care for families, from emergency financial assistance and basic needs, to community linkages with warm hand offs, mental health services for all family members, housing assistance, and employment/training assistance. Contractor's student focus would address attendance issues, raising grades, providing mental health/behavioral distress referrals, as well as future educational and career path planning.

Furthermore, the Contractor agrees to the following guidelines regarding the appropriate use of student data collected by myself or made available to me from other school/system employees, Infinite Campus, TES or any other file or application to which the Contractor has access:

- Contractor will comply to abide by the limitations on re-disclosure of personally identifiable information from education records set forth in The Family Educational Rights and Privacy Act (34 CFR § 99.33 (a)(2)) and with the terms set forth below. 34 CFR 99.33 (a)(2) states that the officers, employees, and agents of a party that receive education record information from the Institution may use the information, but only for the purposes for which the disclosure was made.
- Contractor acknowledges that the Agreement allows the Contractor access to (CDI) for whom the Contractor has a legitimate educational interest and will be used for the sole purpose of improving student achievement and providing academic advisement to the student.
- The Contractor shall develop, implement, maintain and use appropriate administrative, technical and physical security measures to preserve the confidentiality, integrity and availability of all electronically maintained or transmitted (CDI) received from, or on behalf of Institution or its students. The Contractor acknowledges that it is illegal for a student to have access to another student's data and will not share (CDI) from any source with another student.
- Contractor agrees to hold (CDI) in strict confidence. Contractor shall not use or disclose (CDI) received from or on behalf of Institution (or its students) except as permitted or required by the Agreement, as required by law, or as otherwise authorized in writing by Institution. Contractor agrees not to use (CDI) for any purpose other than the purpose for which the disclosure was made.
- Contractor shall, within one day of discovery, report to Institution any use or disclosure of (CDI) not authorized by this agreement or in writing by Institution. Contractor's report shall identify: (i) the nature of the unauthorized use or disclosure, (ii) the (CDI) used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what the Contractor has done or shall do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action the Contractor has taken or shall take to prevent future similar unauthorized use or disclosure.

California Consumer Privacy Act. To the extent applicable, Contractor shall comply with the requirements of the California Consumer Privacy Act ("CCPA"). The CCPA, however, shall not preempt the requirements of the Family Educational Rights and Privacy Act (20 U.S.C. §1232g; 34 C.F.R. Part 99), the Children's Online Privacy Protection Act (Pub.L.No. 106-554 and 47 U.S.C. §254(h)), the Children's Internet Protection Act (15 U.S.C. §6501 et seq.), California Education Code sections 49073.1 and 49073.6, and/or the Student Online Personal Information Protection Act (California Business and Professions Code §22584). Notwithstanding the above, to the extent that a "consumer" as that term is defined by the CCPA, contacts Contractor to receive Covered Data and Information provided to Contractor pursuant to this Agreement, to delete consumer's personal information or to access information collected by Contractor hereunder, Contractor shall refer the consumer to the District, and the District will provide the necessary and proper procedures regarding the requested information.
